SUMMARY

Final-year Computer Science Engineering student specializing in MERN Stack (MongoDB, Express.js, React.js, Node.js). Skilled in JavaScript, Java, SQL, RESTful APIs, and building scalable web applications. Experienced in frontend & backend development, database management, and Agile/Scrum workflows. Passionate about delivering user-focused solutions as a MERN / Full Stack Developer.

TECHNICAL SKILLS

Frontend: HTML, CSS, SCSS, Tailwind CSS, JavaScript, React.js, Bootstrap **Languages:** Java, JavaScript
Backend: Node.js, Express.js, RESTful APIs **Tools & Platforms:** Git, GitHub
Database: MongoDB, SQL

PROJECTS & EXPERIENCE

Wander-Stay (Full-Stack, Location Listing Platform) [\(link\)](#) Oct 2025 - Nov 2025

- Built a dynamic web application using Node.js, Express.js, MongoDB, and EJS.
- Enabled users to create, edit, and manage property listings with pricing, images, and location data.
- Designed for scalability with planned features like search, authentication, and booking workflows.
- Integrated user reviews and ratings system to enhance trust and engagement on property listings.
- Implemented image upload and management for listings, allowing users to showcase properties visually.

User Hub (Backend User Management System) [\(link\)](#) Sept 2025

- Engineered a secure backend system using Node.js, Express.js, and MongoDB to manage user data.
- Implemented dynamic user management features including registration, login, and profile handling.
- Designed modular routing architecture to support scalability and future enhancements like role-based access and admin dashboards.
- Built a foundation for admin dashboard and advanced user management features.

EDUCATION

B.Tech, Computer Science Engineering	Sep 2022 - Present CGPA: 7.5 (Till Current Semester)
Class XII, State Board	April 2021 - March 2022 72%

ADDITIONAL INFORMATION

Languages: English, Hindi.
Certifications:

- Web Development Training – Internshala Trainings (June 2024 – Aug 2024)
- MERN Stack Development (MongoDB, Express.js, React.js, Node.js) – Apna College (July 2025-Nov 2025)

Awards/Activities: Runner-Up (Chess), HTPU Sports Meet
